

UNITED ANGLERS 3rd ANNUAL "GARAGE SALE" FUNDRAISER.

On Sunday December 5th, this exciting annual UASC event will again be hosted by Western-Hoegge Company in Glendale. A huge assortment of fishing tackle, camping equipment, sporting goods and misc. outdoor recreation gear will be sold at this one-day, five-hour event. Last year hundreds of people waited on line for the doors to open. When they did, the level of excitement was beyond description. The isles were filled with eager buyers grabbing up the great deals. Sporting goods manufactures, representatives and distributors alike donated both new and slightly used merchandise to support United Anglers of Southern California. Many individuals donated their extra outdoor gear too. Everything from fishing tackle to golf clubs, from camping gear to wildlife art...it was all there. We are looking forward to another successful event this year.
